

TB METAL DETECTORS Limited Warranty

Additionally to the legal warranty claims valid in Germany * we warrant our metal detectors to be free of defects for a period of 24 months after the original date of consumer purchase.

This warranty covers instrument failures which are to due to defects in material or workmanship. In these cases the device is repaired or replaced, at our option, without charge for parts or labour.

This extended warranty is valid only if the enclosed warranty registration card has been completed and mailed shortly after date of purchase.

This warranty excludes:

- Damage caused by inappropriate use which in our opinion caused the failure of the instrument.
- Damage caused by excessively strong mechanical effects or accidents.
- Damage caused by exposure to corrosive compounds and seawater.
- Damage caused by using search coils, chargers, or other accessories not specifically designed for the respective device.
- Damage due to modifications or unauthorized servicing of the electronics or the search coils.
- Batteries and rechargeable batteries as well as damage caused by battery leakage.
- Normal wear.

Should warranty service become necessary, please contact your dealer or us. If you want to return an instrument to us, please observe the following points:

- You are registered (see above).
- You must include a copy of the purchase voucher.
- The instrument must be accompanied by a detailed explanation of the symptoms of the failure.
- The instrument must be sent freight prepaid or it will be refused and returned to sender. **
- We will return the instrument free of shipping costs within Germany. Any costs for shipping abroad are to be paid by the customer.
- Please ensure that your address is complete and legible.

For your own records:

Model _____

Serial number _____

Notes:

* This warranty may vary in other countries, please check with your local distributor for details.

** Please contact us before returning an instrument from non EC-countries for customs details.
